Nabin Khanal

Applying for: Web development intern

☎ (+977) 9869926252 | ✉ khanalnabin310@gmail.com | Nabin-18 | in LinkedIn

Education

Pokhara University   School of Engineering

Bachelor of Engineering in Computer Engineering
2021 – Expected: August 2025 (8th Semester)
Relevant Courses: Data Structures, Web Development, Database Systems, Software Engineering

Projects

Student Course Registration System (On Going)
Tech Stack: Node.js, Express.js, React, Prisma ORM, PostgreSQL
- Built a full-stack web application where students can register for courses using many-to-many logic
- Designed RESTful APIs and used Prisma to handle complex database relationships

Portfolio Website
Tech Stack: HTML, CSS, JavaScript ,ReactJs
- Developed a responsive personal website showcasing my resume and project portfolio
- Deployed via GitHub Pages with clean UI and dark/light theme toggle

Task Manager App
Tech Stack: React.js, Express.js, MongoDB
- Implemented full CRUD with user authentication using JWT
- Organized backend using MVC architecture and frontend with component-based structure

Khanal Mart (E-commerce)
Tech Stack: React.js, Express.js, MongoDB
- Implemented full CRUD with user authentication using JWT
- Organized backend using MVC architecture and frontend with component-based structure

Experience

Web Development Intern   Freelance / Personal Projects
                                                                                              2023 – Present
- Built and deployed 5+ mini projects using MERN stack
- Collaborated in GitHub workflows and code reviews
- Practiced agile and test-driven development with Postman & Jest

Skills

Frontend: React.js, HTML5, CSS3, JavaScript, Tailwind CSS, Bootstrap
Backend: Node.js, Express.js, REST APIs, Prisma ORM
Database: PostgreSQL, MongoDB, MySQL
Tools & Platforms: Git, GitHub, Postman, VS Code, Figma
Others: MVC Pattern, JWT Auth, Responsive Design, API Testing

Languages

- English: Proficient
- Nepali: Native
